Minister for Emergency Services

Rotary - NSW and ACT Emergency Services Community Awards 2018

As Minister for Emergency Services it is a privilege to welcome you to the 2018 Rotary Districts & Clubs of NSW and ACT Emergency Services Community Awards.

Without question all the men and women who serve our communities in their capacities as emergency services volunteers and personnel are heroes. Tonight we honour 24 NSW and 8 ACT finalists, we acknowledge their enormous contributions, and we celebrate with the award recipients.

I was lucky enough to attend last year's function and I know that we're all in for a memorable evening. I have an enormous respect for our emergency services personnel and I thank you all for your commitment and hard work.

It is fantastic to see that this year the awards have been expanded to include the ACT, I welcome all those here tonight from across the border and acknowledge your efforts and dedication to the emergency services space.

As a state we are hugely indebted to all our emergency services men and women. Their dedication, commitment and assistance when many face the toughest of challenges is worthy of celebration.

Thank you for your contribution. Thank you for your efforts. Thank you for putting 'Service Above Self.'
